

RETURN FORM

We are sorry your shoes don't fit. Please keep in mind:

- All unworn full-priced items are eligible for return within two weeks of being received. We begin counting from the day of successful delivery to the customer.
- Discounted items marked as such are not eligible for a refund.

STEP 1

Fill out the form that was included in the shipment.

STEP 2

Put both (return form and shoes including shoe bag) back into the box.

STEP 3

Re-pack your package and address the package to Kingsley Crew.

STEP 4

Select a shipping service and send the package back to Kingsley Crew

** We recommend choosing a company with a tracking service because we can only process orders for returns that we have actually received.*
